

Tobiloba Adeyemo

Cloud Security Engineer

Gauteng, South Africa contact@tobilobaadeyemo.com linkedin.com/in/tobilobaadeyemo github.com/tobilobaadeyemo
tobilobaadeyemo.com

SUMMARY

I secure cloud identities, infrastructure and workloads across Google Cloud and Microsoft, with the instincts of a founder who has had to run the systems, not just design them.

FOCUS

Identity as the Control Plane. Entra ID & Google Cloud
IAM · Conditional access & least privilege · Identity governance

Platform & Workload Security. M365 E5 / Defender ·
Cloud posture & hardening · Secure software (OWASP Top 10)

IT-OT Convergence. ICS / IIoT security · Industrial
networking · Energy & manufacturing

EXPERIENCE

ShopLink Africa

Aug 2025 - present · Shenzhen, China (hybrid)

Co-Founder / Trade Partner

Connecting African businesses directly to vetted Chinese factories. "Source Smarter, Scale Faster." Cross-border sourcing, logistics and quality control.

Raptview Labs

Aug 2020 - present · Centurion, South Africa

Founder & Creative Lead

AI-visibility & creative studio. I founded it and operate the systems end-to-end. It pulled me into securing my own infrastructure.

Bukky Group

Jun - Dec 2024 · South Africa

Business Manager

Ran operations for a diversified luxury group (beauty, fashion, lifestyle, education). Doubled revenue R250K → R500K; rolled out Fresha + Yoco; led 15+ staff; cut inventory cost 10%.

Choice International Group (CIG Motors)

Nov 2019 - Feb 2023 · Nigeria

Marketing Lead & Creative Strategist

Led marketing for CIG Motors, exclusive Nigerian and African representative of GAC, JMC, Dongfeng, FAW and Wuling. Drove the LAGRIDE 1,000-vehicle fleet launch with the Lagos State Government. +25% delivery speed, +30% brand loyalty, 3 awards.

Wildreams Agency

Mar - Nov 2019 · Nigeria

Design Support & Photographer

Campaign design and photography at the brand agency that takes clients "from what is, to what's next." Clients: Campari Nigeria, Access Bank, B&G Wine.

SKILLS

Cloud Security

Identity & Access Management

Systems Architecture & Operations

OT / Industrial Cybersecurity

Risk-Aware System Design

Google Cloud

Microsoft Entra ID

Microsoft 365 E5

Microsoft Defender

AWS

Terraform

Kubernetes

CERTIFICATIONS · 31 EARNED, VERIFIABLE ON CREDLY

Security & OT (16): Introduction to Critical Infrastructure Protection (ICIP), Fortinet Certified Associate, LFD121

Cloud, AI & Infrastructure (12): Cloud Technical Series: AI in Action

Data & Analytics (2): see Credly

Leadership & Foundations (1): see Credly
